Nehemiah Foundation:

Nehemiah provides a network to amplify the impact of our 30 Ministry Partners and local churches. Through unique collaborations between the faith community and civic organizations we tackle hard issues together, bringing innovative solutions to the pain points in our community.

At the heart of Nehemiah's mission are our foundational principles: **PRAY, UNITE, EQUIP, MOBILIZE.**

We seek to mobilize the faith community to serve through one of our 4 Pathways, or Initiatives:

- 1. Faith Community Crisis Response Team Initiative:** As part of our Faith Community Crisis Response Team, the Emergency Warming Shelter brings together city and community leaders, along with the faith community, to assist our unsheltered friends during extreme weather conditions.
- 2. Flourishing Neighborhoods Initiative:** Pursuing wholeness, wellness, and oneness. Ways to serve:
 - Join our Simunye Tables committed to deep conversations and racial reconciliation.
 - Join our Mental Health and the Church Campaign, combining clinical best practices with spiritual wholeness.
 - QPR, Suicide Prevention Training
- 3. Streamline Initiative Initiative:** Blessing kids through church and school partnerships.
 - CarePortal: an online tool that bridges child-serving agencies and local churches to address the needs of families in crisis. Sign up to be able to respond to real time needs in our community.
 - Volunteer to be a mentor to kids through our Power of One To One Mentoring Campaign.
 - Pray for our local schools.
- 4. "Rise & Build" Christian Leadership Influence Initiative:** Today's Christian and civic leaders are under more pressure and scrutiny than ever before. Through this initiative, Nehemiah is building a safe place where leaders can learn, share, innovate and be supported in impactful ways.
 - Leadership Coaching
 - New Ministry Launch Pad.
 - Transformation Tables
