The mission of NHP is to create and preserve affordable homeownership through partnerships. As a HUD-approved housing counseling agency, NHP offers homeownership education and counseling to low-to-moderate income individuals. The non-profit also provides repair grants for income-eligible homeowners that allow them to remain in safe, affordable housing. Primary programs include group homebuyer education and financial literacy workshops, individual financial counseling, and affordable housing development. Empowerment is a core philosophy of our programming.
